

Ohio abortions have
decreased by more
than 40% since 1982.
However, 24,000
babies in Ohio lost
their lives to abortion
last year.

Who We Are

The Ohio Right to Life Society, is a non-profit grassroots advocacy organization. Through compassionate and caring strategies of education, lobbying, and political action, ORTL works to protect the unborn and the lives of the medically vulnerable, including the elderly, the disabled, and those suffering from chronic or terminal illness. Within our organization are three separate entities from which we execute our mission: the Ohio Right to Life Society, the Ohio Right to Life Educational Fund, and the Ohio Right to Life Political Action Committee (PAC). Each of these branches is committed to effectively promoting life so that someday, we can live in a State where our culture will no longer question or doubt the intrinsic value of every human life. For more on the roles and duties of each Ohio Right to Life branch, please see the inside of this brochure.

Our Mission

The mission of Ohio Right to Life is to promote and defend the right to life of all innocent human beings, from the time of fertilization until natural death.

Our Vision

We strive to create a culture where every child is welcomed into the world and protected by law; where every pregnant mother receives the help she needs to face an unplanned pregnancy; and where every terminally ill person has access to decent pain relief and is protected from being killed by euthanasia and assisted suicide.

Ohio Right to Life

SOCIETY

The Ohio Right to Life Society manages a variety of activities that promote and defend a culture of life throughout Ohio. The Society supports legislation that helps to protect the right to life for all innocent human beings through lobbying activities. The Society also has a network of local chapters across Ohio that take part in grassroots activities which help to influence their communities and build momentum behind the pro-life movement. The Society also informs supporters on pro-life issues in their seasonal newsletter and by maintaining a strong online presence; utilizing its web site (www.ohiolife.org), blog, email and social networks, like Facebook, Twitter and Youtube to reach Ohioans of all ages.

Ohio Right to Life

POLITICAL ACTION COMMITTEE

The Ohio Right to Life PAC actively takes a stand to protect innocent human life by supporting pro-life office holders and candidates for political office. Ohio Right to Life established its PAC to serve as its political advocate. The PAC incorporates candidate surveys, interviews, voting records and public statements to determine candidates' positions on life issues. The PAC issues public endorsements of candidates and engages in express advocacy via print, radio and television advertisements to ensure the election of endorsed candidates. To stay up to date on the latest PAC endorsements and voter information, visit the PAC's web site through www.ohiolife.org.

Ohio Right to Life

EDUCATIONAL FUND

The Ohio Right to Life Educational Fund affirms the dignity of life by offering educational outreach programs for women, children, youth and families facing difficult situations. The Educational Fund produces educational resources on abortion, euthanasia and other key life-issues; maintains a strong online presence; and networks regionally to educate and discuss pro-life issues. Additionally, the Educational Fund develops and provides resources for women facing an unplanned pregnancy and those facing end-of-life decisions, in order to offer help and hope. Each of these educational strategies help Ohioans understand how important and valuable each human life is - regardless of age or health.
